

Discover Your Leadership Signature

Discover one's Uniqueness as a Leader and Enhance Leadership Impact & Influence

Program Overview

This program is designed as a pathway to knowing one's leadership landscape, the range of ways you might choose to lead, defined by the overlap of three areas: Leadership mind-set, style and skills, all of which are strongly known to impact performance or results.

This program helps you challenge self, step outside one's comfort zone, become aware of one's limiting behavioural patterns and volunteer one's strengths to make a difference to team and the organization.

Who should attend?

For leaders across levels from mid to senior level managers who are responsible for leading individuals and teams.

How will the participants benefit?

At the end of the workshop, participants will be able to:

- Understand their personality type and identify potential biases with respect to their leadership style
- Become aware of their skills, natural gifts and potential areas of growth & development
- Identity an action plan to strengthen their leadership impact and influence within the organisation

What will the program experience include?

- Pre- Assessment: MBTI online Questionnaire (Step I & II)
- Face-to-Face workshop
- Formulation of IDP
- Interactive webinars
- One to one Coaching support

**Human
Network**

Developing People, Accelerating Performance
